

Pet Friendly

Our Resilient Solutions are generally more suitable for pets thanks to their higher water resistance and ability to handle spills that could sit on the floor for long periods of time while owners are out. Their matt finishes also help to hide pet hair and other animal related mess, so cleaning can be done with ease.

Top Three Collections

- 1. Resilient - Vinyl
- 2. Resilient - Hybrid (incl. Superior & Scenic)
- 3. Laminate - Shield
